About Us

Premier's Cup Golf Charity Tournament

Established in November 2014 Superheroes Events Limited is a volunteer not for profit company and is the organiser of the Shoalhaven Superheroes Festival (SSF). The Premier's Cup Golf Charity Tournament (Tournament) is a SSF fundraising event. Following the acceptance of NSW Premier Gladys Berejiklian to be the tournament patron, the first Premier's Cup Golf Charity Tournament was held on 12 August 2016 at Nowra Golf Club NSW. Our total fundraising to date is \$120,000 and our goal is to raise \$1 Million over three years.

Taking the Premier's Cup Golf Charity Tournament to Castle Hill Country Club championship golf course in Sydney on 21st and 22nd June proved to be a successful next step venture, raising a total of \$52,000.

In 2022 the Tournament was expanded to include the Q series with the final taking place on the opening day of the 2022 NSW Open Championship at Concord golf club. We are particularly grateful to inaugural Patron Gladys Berejiklian and all tournament sponsors and participants. The 2022/2023 tournament is being expanded to a 16 Charity Q series, with the Charity Final to be played at Castle Hill Country Club championship golf course.

Golf Charity Tournament & Charity Q Series**

Through all the challenges of the past few years - from bushfires to the pandemic, and disastrous flooding - I have been privileged to witness the extraordinary work of local volunteers in communities across our State, lending a helping hand to people in need.

That spirit of service and generosity is the essence of what makes our State and our nation great, and I know the very same spirit of service and generosity is what motivates Shoalhaven South Coast Superheroes.

It is fantastic to see your efforts culminating in an even bigger and better Premier's Cup Golf Charity Tournament this year, bringing together clubs and sponsors from across NSW, and raising even more funds for more charities, which this year include:

- Saving Sammy Suicide Prevention and Awareness
- Heart180 Defibrillator Campaign
- Superheroes Community Care River Retreat, Accommodation Stays For Families Requiring Benevolent Assistance
- As well as the New South Wales charities selected by the respective Q Series Golf Clubs

I extend my thanks and congratulations to all the sponsors and participating clubs for supporting the Shoalhaven South Coast Superheroes with the Premier's Cup goal of raising \$1 million for NSW community charities, and I wish all players enjoyable golfing and the tournament every success.

TOURNAMENT AMBASSADOR

I was very proud to accept the invitation to be the Patron of the Superheroes Community Care River Retreat. I've personally been touched by losing a very close friend and a young family member and am passionate about helping to save lives and helping to provide assistance to families with chronically ill kids and families requiring benevolent assistance.

I share this community goal with the South Coast Superheroes volunteers and look forward to sharing this journey with them.

I am also working with Superheroes Community Care to increase the installation of defibrillators in the South Coast and Southern Highlands region. For every arranged installation Heart180 is donating \$400 to the Superheroes Community Care to assist with the running of the Superheroes Community Care River Retreat and the sponsoring of short accommodation respite stays for families at the waterfront property situated on the beautiful Shoalhaven River at Shoalhaven Heads, New South Wales.

Heart180 and Superheroes Community Care are proudly working together to help families and save lives.
